Year 4,5,6	Days and months	Hobbies and interests	Food and drink	Numbers	Money	Recap

The BSL Curriculum started across KS2 in 2022/23. Our students need to have the building blocks of BSL to be able to progress onto higher level skills. At Year 3 they will begin BSL lessons, each year they will have the opportunity to learn more vocabulary and develop skills to build on previous learning. As such the curriculum will 'roll out' over the next few years and be a complete 4-year curriculum in 2025/26.

The full 4-year curriculum document is available on request.
