Autumn Term 2023

Monday 9th October

Harvest Festival 2023

Once again we will be collecting for North Guildford Food Bank as part of our Harvest Festival. Don't forget to bring your donations in by **Friday 13th October**.

Parents' Consultations

Please ensure you book an appointment for your child/children's parents' consultations.

It is hugely important that all parents/carers meet with their child's classteacher to hear about how the children are doing in their learning and what you can do to support them with their learning at home. We also ask that if you do book an appointment, you ensure you attend. **If you cannot attend due to an unexpected event, please contact the school office.**

Wonderful news!

I am delighted to announce that Mrs Cover (our Deputy Headteacher) had her baby girl, Madeline, last Monday morning. Here is a picture of the newest member of our GG family!

Return to school

Parking outside of the school

Parents must not park on the double yellow lines outside of the school or park on the pavement on the opposite side of the road. **This puts our pupils at great risk.** We are also aware of parents parking in dangerous places that prevent our lollipop lady from doing her job safely. We will be asking our local PCSO to be present at drop off and pick up time to monitor parking.

Reporting your child's absence

You will receive a letter detailing changes we are making to our school procedures when managing pupil absence.

It is important to remind all parents/carers that you **must report** your child's absence through **studybugs** before the start of the school day.

Please look at your child's class attendance for last week. We aim for **96% attendance** for all pupils and classes.
