Autumn Term 2023

Friday 8th September

A great start to the new academic year!

It has been a delight to welcome our pupils back to school this week. Despite the heat, they have settled quickly into their new routines and have been focusing back on their learning.

This week, in our whole school assemblies, we have been reminding ourselves of our school 'code of conduct'.

Our number one rule for all members of our school community (pupils, staff and parents) is that **'Everyone will be polite, respectful and kind to others at all times'**.

We have also focused on some key rules this week that help us to follow that one rule. We remembered that we must walk sensibly around the school, we must keep our hands and feet to ourselves, we must follow instructions and we speak politely to one another.

Please talk to your child about the code of conduct over the weekend to help them to remember our school rules. A copy of the code of conduct is on the next page.

Attendance

Having good attendance is crucial if we want our children to succeed in not only their school life but also for their future. We talk about and celebrate good attendance every week. We ask that all parents support us and work with us to prioritise their child's attendance.

Sadly this week only one class achieved 100% attendance. Well done to 1K! All those children have been in everyday and have been able to get used to new routines, rules and relationships from day one.

Our School Code of Conduct

At Guildford Grove, there is one rule for our school community:

Everyone will be polite, respectful and kind to others at all times.

This means we will:

- always follow instructions
- keep our hands and feet to ourselves
- always show our good learning habits
- speak politely to other children and adults at all times
- always walk sensibly around our school
- look after our belongings
- always show respect for our school environment
