

### READING

Children will be following the **Master Reader** process to develop their reading comprehension and fluency.

#### **THIS TERM'S MAIN TEXT WILL BE:**

Owen and the soldier

### WRITING

As part of our **Talk 4 Writing**, we will be learning how to create a descriptive tale using the book Zoo.

We will be learning how to use powerful verbs to inform the reader and use short sentences for dramatic effect.

### MATHS

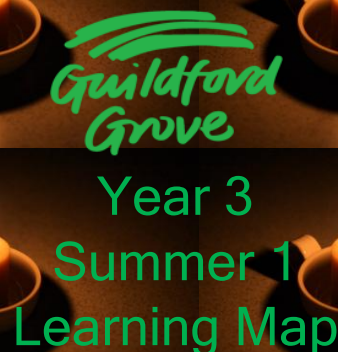

As mathematicians, the children will be learning to add and subtract fractions. They will learn to add and subtract different amounts of money. In time they will learn to tell the time to 5 minutes and 1 minute. They will be learning the 3, 4 and 8 times tables.

### SCIENCE: light

#### **What are reflections and shadows?**

As scientists, the children will be learning about the how shadows are formed, and which surfaces reflect light. They will also learn about different light sources.

In investigations they will record their results to show which objects create the best shadows and the properties of these objects.

A central graphic featuring the text "Guildford Grove Year 3 Summer 1 Learning Map" in a green, stylized font. The text is surrounded by several lit candles in brass holders, creating a warm, ambient glow. The background is dark, making the light from the candles and the green text stand out.

## Guildford Grove Year 3 Summer 1 Learning Map

### HISTORY – Childhood

#### **How have children's lives changed?**

As historians, the children will focus on childhood in the Tudor times, the Victorian times and the modern era. They will identify continuity and change in these periods of history using primary and secondary sources. They will ask questions and research answers, using artefacts to find evidence.

### PE & BSL

In **cricket**, the children will be learning about how to bat, field and score during a game. In **fitness**, the children will work on movement skills and how these help them in everyday life.

In **BSL**, they will learn colours and pets.

### ART:

#### **3D Sculpture - Clay**

Children will learn about the history of clay and learn to join coils of clay with the score and slip method to make a Victorian Toby jug. They will use real Victorian Toby jugs to inspire their artwork.

### PSHE & RE

In **PSHE**, the children will be learning what it means to be good citizens. They will learn about their rights and responsibilities. They will learn about communities, recycling and democracy.

#### **RE: What do Sikhs value?**

In RE, they will learn about the values, symbols and beliefs in Sikhi.

### MUSIC

The children will be learning about pentatonic melodies and how they are used in the music used to celebrate Chinese New Year.

### KEY VOCABULARY FOR READING

- predict
- summarise
- question
- infer
- vocabulary

### KEY VOCABULARY FOR WRITING

- Purpose – what is the reason for writing?
- Audience – who is the writing for?
- verbs
- sentence structure
- character

### KEY VOCABULARY FOR MATHS

- fraction
- numerator
- denominator
- pound
- change

### KEY VOCABULARY FOR SCIENCE

- light source
- dark
- reflect
- damaging
- shadow
- opaque

### KEY VOCABULARY FOR HISTORY

- chronology
- artefacts
- childhood
- primary sources
- secondary sources

### KEY VOCABULARY FOR PE & BSL

- bowling
- batting
- fielding
- runs
- out

### KEY VOCABULARY FOR ART

- Technique
- score
- slip
- sculpture
- caricature

### KEY VOCABULARY FOR RE & PSHE

- Sikhi
- guru
- equality
- Waheguru
- gurdwara

### KEY VOCABULARY FOR MUSIC

- pentatonic
- tempo
- dynamics
- crescendo
