

## READING

Children will be following the **Master Reader** process to develop their reading comprehension and fluency.

### **THIS TERM'S MAIN TEXT WILL BE:**

The Firework Maker's Daughter

## WRITING

As part of our **Talk 4 Writing**, we will be learning how to use descriptive language using the book '**Journey**' as inspiration.

We will also be learning how to structure and write a recount letter to a pen pal.

## MATHS

As mathematicians, the children will be using the White Rose Maths scheme to learn multiplication and division and other related facts. They will also develop their knowledge of length and perimeter. They will also begin to learn fractions. Pupils can practice times tables at home on: <https://ttrockstars.com/>

## SCIENCE: STATES OF MATTER

### *What are solids, liquids and gases?*

As scientists, the children will build on their everyday knowledge to explore solids, liquids and gases. They will investigate the process of melting and freezing.

They will work in pairs to ask scientific questions and identify patterns in their investigations.

## HISTORY: ANGLO-SAXONS

### *How hard was it to invade and settle in Britain?*

As historians the children will be learning about the lives of the Anglo-Saxons. They will explore the reasons why they came to Britain and investigate artefacts from the Anglo-Saxon period.

## PE: FUNDAMENTALS & NETBALL

The children will learn balancing, running, jumping, hopping and skipping. In netball, they will develop their understanding of attacking and defending.

### BSL

In BSL, the children will learn how to sign about food and drink.

## DT: FOOD TECHNOLOGY

### *How can I make a simple pizza snack for me to enjoy?*

The children will build on their knowledge from year 3 to design, make and evaluate a simple pizza snack.

## RE: HUMANISM

### *How do non-religious people celebrate new life?*

Children will learn three of the key beliefs of humanism.

### PSHE: HEALTH AND WELLBEING

#### *How can I look after my wellbeing?*

Children will learn a range of strategies to look after their mental health and wellbeing.

## COMPUTING: PHOTO EDITING

Children will learn to identify when and how a photo has been edited. They will also learn different techniques for editing photos.

### KEY VOCABULARY FOR READING

- summarise
- predict
- question
- vocabulary
- infer

### KEY VOCABULARY FOR WRITING

- Purpose – what is the reason for writing?
- Audience – who is the writing for?
- description
- recount
- metaphor

### KEY VOCABULARY FOR MATHS

- multiply
- divide
- length
- perimeter
- numerator
- denominator

### KEY VOCABULARY FOR SCIENCE

- solid
- liquid
- gas
- evaporate
- condensation
- freeze
- melt

### KEY VOCABULARY FOR HISTORY

- Angles
- Britons
- empire
- inference
- invasion
- Saxons
- settlers

### KEY VOCABULARY FOR PE

- fundamentals
- pivot
- invasion
- defense
- attack

### KEY VOCABULARY FOR DT

- processed food
- texture
- preference test
- utensils
- preference

### KEY VOCABULARY FOR RE & PSHE

- Humanism
- baptism
- milestone
- mental health
- relaxation

### KEY VOCABULARY FOR COMPUTING

- rotate
- crop
- recolour
- clone
- combine
